Re. Planning permission is sought by Robert and Michelle Murphy for conversion of their attic to storage including a dormer structure to the rear with 2 windows and a velux rooflight to the front all at roof level to No 65 Castle Park, Clondalkin, Dublin 22.

Dear Sir/ Madam

On behalf of my clients Robert and Michelle I hereby apply for planning permission for conversion of their attic to storage including a dormer structure to the rear with 2 windows and a velux rooflight to the front all at roof level to No 65 Castle Park, Clondalkin, Dublin 22.

65 Castle Park

My clients wish to add a dormer window to the rear at roof level to enhance the storage space in their attic, and to allow stairs access into this space. The dormer window has been designed to be subordinate to the rear roofscape and will not cause undue overlooking. We note that similar structures have been granted planning at

- 1/ No 19 Castle Park – Reg Ref SD 17B/0242.
- 2/ No 25 Castle View Reg Ref SD18B/0508.

We enclose the following documentation in support of our application

- C/ Cheque in the sum of €34.00
