Subject: Reference No. FD 22A 0390 Objection for development known as "Clonbrone"

Good afternoon,

I wish to put forward an objection for the development of the site known as Clonbrone, on Lucan Newlands Road / Esker Hill, Lucan, Co. Dublin, K78 Y5C2.

I cannot stress how dangerous I think this development will be to the pedestrians, cyclists and motorists on this hill. This hill is already congested at times to its full capacity. Any more traffic to this hill is plain recklessness. It can be extremely dangerous travelling up, or down this hill, depending on the time of day. There is a consistent flow of pedestrians that use this hill, which is an already winding road.

We do not need more cars existing onto or up that hill.

Regards,

Patricia Harte
