Dear Sir/Madam,

I, John Green, write in relation to planning application number SD22A/0382 made by Jogor Point Ltd with regard to lands adjacent to Foxhunter, Ballydowd, Lucan, Co Dublin, as submitted on 6th October, 2022.

I wish to object to the proposed development. My objection is based on the following observations and grounds:

- A pedestrian entrance through Hermitage Gardens will remove existing amenity to residents of Hermitage Gardens and Hermitage Park affecting security and increasing the possibility of anti- social behaviour
- There are insufficient occupant details which means it is difficult to understand the plans and the extent of the possible disruption. The supporting Planning Report notes that the proposed use would be a 'logistical warehouse' and the Transportation Assessment noting that the proposed use would be a distribution warehouse. This use is not listed as permissible or open for consideration within the RW zoning designation
- The proposal seeks to provide a gate to allow permeability from the private housing estates which adjoin the site, through the warehousing premises, and to the Foxhunter pub. This passageway would not be adequately surveilled and it would be a concern that this would give rise to anti-social behaviour in the evenings and late nights

I would be grateful if you would consider the above in your assessment of the planning application. I have enclosed proof of payment of the €20 fee ref T4/0/722441 .

Yours sincerely,
