Subject: SD22A/0382

I Marie Murphy write in relation to planning application number SD22A/0382 made by Jogor Point Ltd with regard to lands adjacent to Foxhunter, Ballydowd, Lucan, Co. Dublin as submitted on October 6th 2022.

I wish to object to the proposed development based on the following observations and grounds:

1. The scale of the development is overscaled and out of character with the area. There would be a significant loss of amenity to surrounding properties resulting with a loss of privacy and light.
2. A pedestrian entrance through Hermitage Gardens will remove existing amenity to residents of Hermitage Gardens and Hermitage Park affecting security and increasing possibility of anti-social behaviour.
3. There are insufficient occupant details which means it is difficult to understand the plans and the extent of the possible disruption. The supporting Planning Report notes that the proposed use would be a 'logistical warehouse' and the Transportation Assessment noting that the proposed use would be a distribution warehouse. This use is not permitted within the RW zoning designation.
4. A logistics unit would also generate more traffic than a warehouse/storage facility so lack of detail would have subsequent traffic impacts.
5. New developments should contribute positively to the character, appearance, environments, services and infrastructure of the wider surrounding area. They should also be suitable in terms of height and scale, however this proposed development fails to achieve this due to its immense height, scale, design and density and potential risk of anti-social behaviour.

Copy of receipt below.
