DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development

Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, and as amended by Further Information received on the 13th October 2022, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2.
 1. No heavy / noisy construction equipment or machinery (to include pneumatic drills, construction vehicles, generators, etc) shall be operated on or adjacent to the construction site before 07:00 hours on weekdays and 09:00 hours on Saturdays nor after 19:00 hours on weekdays and 13:00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays.
 2. Noise levels arising from construction activities shall not be so loud, so continuous, so repeated, of such duration or pitch or occurring at such times as to give rise to a noise nuisance affecting a person in any premises in the neighbourhood.
 3. A suitable location for the storage of refuse shall be provided during the construction and operational phase of the development so as to prevent a public health nuisance.
 4. The applicant shall put in place a pest control contract for the site for the duration of the construction works.
 5. Noise due to the normal operation of the proposed development, expressed as Laeq over 15 minutes at the façade of a noise sensitive location, shall not exceed the daytime background level by more than 10 dB(A).
 6. Any connections to the main sewer must be connected so as not to give rise to a public health nuisance.
 7. Signage or lighting to be used on site during both construction and the on-going operation of the development must not be intrusive to any light sensitive location including residential properties in close proximity to the development.
 8. Clearly audible or impulsive tones at noise sensitive locations during evening and night shall be avoided irrespective of the noise level.REASON: In the interests of Environmental Health of the surrounding area.
3. Maintenance.
The operator shall make satisfactory arrangements for the maintenance, repair and upkeep of the gas Installation in perpetuity, and shall accept responsibility for the removal of the gas Installation at its own expense, when no longer required.
REASON: In the interest of amenity and orderly development.
4. (a) Surface Water Drainage / Irish Water.
 - (i) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.
 - (ii) The Developer shall ensure that there is complete separation of the foul and surface water drainage for the proposed development.REASON: In the interests of public health, the proper planning and sustainable

development of the area and in order to ensure adequate water supply and drainage provision.

(b) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(c) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant/developer is advised that the most up to date South Dublin County Council Taking in Charge Policy and associated documents can be found at

the following location <https://www.sdcc.ie/en/services/planning/commencement-and-completion/completion/taking-in-charge-policy-standards>.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014, the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
