**Information Requested/Received:** 

**DECISION:** Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

### REASON(S)

1. Having regard to the RES zoning of the subject site (the objective of which is 'to protect and/or improve residential amenity') and the surrounding character of the area, the proposed development, by way of its layout, building orientation and front building line, is not considered to comply with the residential consolidation and infill policies and objectives of the South Dublin County Development Plan 2022-2028. The proposed development fails to appropriately integrate with Grange Park and Whitechurch Road, particularly in terms of building orientation and

frontages. The proposed private amenity spaces, for both the existing and proposed houses, are not considered to be adequately usable in terms of shape and layout. As a result, the proposed development would seriously injure the amenities of property in the vicinity and is considered to be overdevelopment of the site and contrary to the proper planning and sustainable development of the area.

2. Insufficient information has been submitted in relation to car parking, access and traffic safety to the satisfaction of SDCC's Roads Department. The submitted road safety audit is considered to be insufficient in information. The proposed development is therefore contrary to the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
