

I AM LODGING A SERIOUS and CATASTROPHIC OBJECTION TO THIS PLANNING APPLICATION

I am absolutely appalled and have to voice my disapproval of this Planning Submission
I would like to lodge my objection to the attached Planning Application this will be CATASTROPHIC FOR Orlagh Grove Estate and for the Knocklyon area in general
Orlagh Grove estate has only a ONE WAY in and out system – this site will have a significant impact on the SAFETY of our young children coming and going to school
We don't have the infrastructure in place – we don't have a transport system in place (2 buses)
Knocklyon is still in the process of building 600 units across the road for this Site (TWO Oaks) – we have long line traffic jams at all times so of the day and particularly early morning and evening
This site is for over 70 units with only 40 car spaces – Ridiculous – where are residents going to park
Where are all these resident children going to go to school – the current schools are taking no new children – Knocklyon is BURSTING at the seams and these high rise Planning sites needs to be stopped.

I AM LODGING A SERIOUS OBJECTION TO THIS PLANNING APPLICATION
