**The data outlined in the table above is based upon information provided by both facilities on the 14/11/2022*

As the above table highlights there is space for a maximum of 14 staff members and 87 children to attend the subject site throughout the course of the day, however in reality there are currently only 12 staff and 72 children attending the subject site throughout the course of the day.

It should be pointed out that the totals given in columns 3 and 5 (*Highlighted in Green*) above are the maximum numbers registered with Tusla for each facility and not the actual number attending the same facilities these are the totals given in columns 4 and 6 (*Highlighted in Blue*).

In relation to this particular planning application, it can be seen that during the opening hours of the Subject Facility (8am to 1pm) there is a maximum of 7 staff and 42 children attending the subject site.

- There are 3 staff and 22 children attending the Subject Facility
- There are 4 staff and 20 children attending the Adjacent Facility
