

Mr. Alan Mc Donnell  
31 Saint John's Court  
Clondalkin  
Dublin 22  
D22E5W6

**NOTIFICATION TO GRANT PERMISSION  
PLANNING & DEVELOPMENT ACT, 2000 (as amended) AND PLANNING  
REGULATIONS THEREUNDER**

Final Grant Order No.:	<b>1463</b>	Date of Final Grant:	<b>22-Nov-2022</b>
Decision Order No.:	<b>1296</b>	Date of Decision:	<b>13-Oct-2022</b>
Register Reference:	<b>SD22B/0372</b>	Date:	<b>19-Aug-2022</b>

**Applicant:** Emlyn Brennan & Anita Berney

**Development:** The proposed development will consist of:  
(1) Conversion of existing garage to living space. (2) A first floor side extension above the existing structure. (3) A redesigned porch/entrance. (4) A ground floor extension to the rear. (5) A redesigned front boundary wall and all associated site works.

**Location:** 22 Old Bawn Park, Dublin 24. D24 VH9D.

**Time extension(s) up to and including:**

**Additional Information Requested/Received:**

A Permission has been granted for the development described above, subject to the following conditions.

**Conditions and Reasons:**

1. Development in accordance with submitted plans and details.  
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.  
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. (a) External Finishes.  
All external finishes shall harmonise in colour or texture that is complementary to the house or its context.  
REASON: In the interest of visual amenity.  
(b) Restriction on Use.  
The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.  
REASON: To prevent unauthorised development.

(c) Drainage - Irish Water.

(i) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(ii) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.

(iii) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

(d) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(e) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

3. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €2, 311.31 (Two thousand three hundred and eleven Euros and thirty one cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contributions under the Scheme shall be payable prior to commencement of development or as otherwise agreed in writing by the Council. Contributions due in respect of permission for retention will become payable immediately on issue of the final grant of permission. Contributions shall be payable at the index adjusted rate pertaining to the year in which implementation of the planning permission is commenced.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

4. Roads Requirements.

(a). The vehicular access point shall not exceed a maximum width of 3.5 meters.

(b). The boundary walls at vehicle access points shall be limited to a maximum height of 0.9m, and any boundary pillars shall be limited to a maximum height of 1.2m, in order to improve forward visibility for vehicles.

(c). Any gates shall open inwards and not outwards over the public domain.

(d). Where applicable, the entrance apron shall be dished and widened to the full width of the proposed widened driveway entrance and shall be constructed to the satisfaction of South Dublin County Council's Road Maintenance Department, and at the applicant's expense.

REASON: In the interest of proper planning and sustainable development.

5. Parks Requirements.

(a). Tree Bond

Prior to the submission of the Commencement Notice within the meaning of Part II of the Building Control Regulations 1997 and prior to the commencement of any works on site, a Bond or bank draft to the value of €1, 500 shall be lodged with the Planning Authority as a security for the protection of the existing street tree in the grassed margin to the side of the site during the course of the development works. The release of the bond will be considered a minimum 12 months after the completion of all site works, at the discretion of the Landscape/Public Realm Section. This will involve assessment of whether the trees specified for retention have been preserved in their prior condition and have suffered no damage and the developer has complied with the requirements of the Planning Authority in relation to tree protection.

(b). Protection of Street Tree in Grass Margin.

In order to ensure the protection of the existing street, prior to commencing any construction on site, protective fencing should be erected around the street tree to form an exclusion zone. This tree protection fencing must be in accordance with BS 5837: 2012. The protective fencing is to coincide, as

far as is practical, with the root protection area (RPA), unless otherwise agreed. All weather notices shall be securely fixed to the fence with words such as 'construction exclusion zone - no access'. The following measures are particularly important:

(i) Materials are never to be stacked within the root spread of the tree.

- (ii) No oil, tar, bitumen, cement or other material is to be allowed to contaminate the ground.
- (iii) Trees to be retained should not be used as anchorages for equipment or for removing stumps, roots or other trees, or for other purposes;
- (iv) No notices, telephone cables or other services should be attached to any part of the tree.
- (v) Cement mixing should not be carried out within the canopy/protected area of the tree.
- (vi) Soil levels are to be maintained as existing within the root spread of the tree. Any alteration to soil levels in an area up to one and a half times the diameter of the tree.

To ensure the safety and well-being of the trees on and adjacent to the subject site that are to remain after building works are completed, in accordance with relevant policies of the CDP 2022-2028 and in the interest of the proper planning and sustainable development of the area, street tree protection, and the maintenance of the county's green infrastructure.

**NOTES :**

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: Waste, arising from the site, must be kept to a minimum, segregated where appropriate, and disposed in accordance with the Waste Management Regulations 2007, as amended. Transport of such waste, must be by an authorised waste permit holder. Waste disposal records must be maintained and made available, for inspection by Authorised Persons appointed under the Waste Management Act 1996, as amended. A Waste Transfer Form shall accompany the transportation of all hazardous waste arising from the construction works.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. Please log onto [www.localgov.ie](http://www.localgov.ie) and click on BCMS link.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1: Structural use of reinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
