This drawing is the copyright of the Landscape Architect. Unless otherwise stated all dimensions are in millimetres. Where dimensions are not given, drawings must not be scaled and the matter must be referred to the Landscape Architect. If the drawing includes conflicting details/dimensions the matter must be referred to the Landscape Architect. All dimensions must be checked on site. The Landscape Architect must be informed, by the Contractor, of any discrepancies before work proceeds.

**NOTES:**  
 Please note in relation to this tender document, where reference is made to a particular make, source, process, standard, trademark, type or patent that this is not to be regarded as a de facto requirement. In all such cases it should be understood that the reference in question is accompanied by the words "or equivalent".  
 For coordination of services refer to engineer's drawings for inspection chambers. Install inspection chamber access covers to finished landscape levels.  
 For details of proposed levels refer to architect's and engineer's drawings.
