## **Record of Executive Business and Chief Executive's Order**

Re: Amendment under Section 146A of the Planning and Development Act 2000 (as amended) - Register Reference SD22B/0430.

Planning permission was granted under Register Reference for the construction of a dormer window in the main roof to the rear of property at 32, Manor Road, Palmerstown, Dublin 20.

During the inputting of the application the applicant's name was entered in error. Due to this clerical error the Chief Executive's Order and Notification of Decision was issued with the incorrect spelling of the applicant's name.

A request was received from Matthew Fagan, the applicant's agent, to have the error corrected.

Under Section 146A of the Planning & Development Act, 2000 (as amended), a planning authority may amend a planning permission granted by it for the purposes of

- (i) Correcting any clerical error therein,
- (ii) Facilitating the doing of anything pursuant to the permission or decision where the doing of that thing may reasonably be regarded as having been contemplated by a particular provision of the permission or decision or the terms of the permission or decision taken as a whole, but which was not expressly provided for in the permission or decision, or
- (iii) Otherwise facilitating the operation of the permission or decision.

Following consideration of this request, it is recommended that (i) the applicant's misspelled name be corrected on the Chief Executive's Order and Grant of Permission (ii) a revised Chief Executive's Order and Notification of Decision to Grant Permission be issued. It is considered that this amendment is not material.
