RE: Proposed development
Reference: SD22A/0401

Demolition of the 4 existing shed structures on site within the curtilage of the protected structure; Retention and conversion of Scholarstown House (Protected Structure) into two residential units comprised of 1 two bed and 1 three bed units served by private open space in the form of ground floor terrace; The proposed works to Scholarstown House include but are not limited to internal re-configuration; Re-location of the staircase to its original location within the house; Removal of non-original features including the closing up of non-original openings; Creation of a new door opening within the existing alcove, and the blocking up of a window opening both located on the northern elevation; Construction of an apartment block ranging in height from 3 to 5 storeys containing 74 apartment units comprised of 32 one bed apartments, 33 two bed apartments, and 9 three bed apartments all served by private open space in the form of balconies and/or ground floor terraces; The proposed development also includes 100sq.m of residential amenities and facilities consisting of but not limited to a reception, communal amenity room and parcel room; The development will be served by a total of 40 car parking spaces and 183 cycle parking spaces accessed via a new pedestrian and vehicular access off Orlagh Grove with the existing entrances on Scholarstown Road and Orlagh Grove being re-configured to provide for pedestrian and cycle access; All ancillary development works required to facilitate the development including but not limited to, plant rooms, a substation, bin stores, landscaping, boundary treatments and lighting; The proposed development comprises the carrying out of works to a protected structure: Scholarstown House (RPS Ref: 322).

Dear Sir/Madam,

Further to the above planning application, Register Reference SD22A/0401, we wish to make a written submission/observation for consideration by the planning authority. We have paid the €20 submission fee to SDCC. Payment reference **T4/0/724998**

- **Scale**

The scale of the development is excessive given the current lack of adequate transport links/services and infrastructure in the Scholarstown and surrounding Knocklyon area. The resultant impact on the various properties in the vicinity, including our own, will be to have an adverse and negative effect on their amenity value and enjoyment.

- **Parking in the area**

The number of parking spaces included in the development is wholly inadequate given the number of units to be constructed (40 spaces provided for with 74 units to be constructed) and, in particular the current shortfall in parking spaces for other recent developments on Scholarstown Road and in the Knocklyon area. Currently residents of Orlagh estate, in particular, are experiencing difficulties accessing and leaving the estate during the day as the entrance road is now being used for parking which is causing significant problems for residents and customers of the shopping centre in Orlagh estate.

- **Traffic**

There are already large volumes of traffic generated by the existing developments in the area throughout the day and, in particular, at peak times, and also throughout the weekends as traffic accesses the M50 interchange at Scholarstown Road. Traffic congestion is now a huge problem in the area and this development will exacerbate an already intolerable situation for existing residents.

We would therefore request South Dublin County Council to refuse planning permission for this development.

We trust you find the above in order, however should you have any queries with regard to the enclosed please contact the undersigned at your convenience.

Yours faithfully,

Sean & Emily Moran

Dear Sir/Madam,

Register Ref: SD22A/0401

Development: Demolition of the 4 existing shed structures on site within the curtilage of the protected structure; Retention and conversion of Scholarstown House (Protected Structure) into two residential units comprised of 1 two bed and 1 three bed units served by private open space in the form of ground floor terrace; The proposed works to Scholarstown House include but are not limited to internal re-configuration; Re-location of the staircase to its original location within the house; Removal of non-original features including the closing up of non-original openings; Creation of a new door opening within the existing alcove, and the blocking up of a window opening both located on the northern elevation; Construction of an apartment block ranging in height from 3 to 5 storeys containing 74 apartment units comprised of 32 one bed apartments, 33 two bed apartments, and 9 three bed apartments all served by private open space in the form of balconies and/or ground floor terraces; The proposed development also includes 100sq.m of residential amenities and facilities consisting of but not limited to a reception, communal amenity room and parcel room; The development will be served by a total of 40 car parking spaces and 183 cycle parking spaces accessed via a new pedestrian and vehicular access off Orlagh Grove with the existing entrances on Scholarstown Road and Orlagh Grove being re-configured to provide for pedestrian and cycle access; All ancillary development works required to facilitate the development including but not limited to, plant rooms, a substation, bin stores, landscaping, boundary treatments and lighting; The proposed development comprises the carrying out of works to a protected structure: Scholarstown House (RPS Ref: 322).

Location: Scholarstown House, Scholarstown Road, Dublin 16

Applicant: Emmaville Limited

Application Type: Permission

Date Rec'd: 25-Oct-2022

I wish to acknowledge receipt of your submission in connection with the above planning application. The appropriate fee of €20.00 has been paid and your submission is in accordance with the appropriate provisions of the Planning and Development Regulations 2001(as amended). The contents of your submission will be brought to the attention of the Planning Officer during the course of consideration of this application.

This is an important document. You will be required to produce this document to An Bord Pleanála if you wish to appeal the decision of the Council when it is made. You will be informed.

of the decision in due course. Please be advised that all current applications are available for inspection at the public counter and on the Council's Website, www.sdublincoco.ie.

You may wish to avail of the Planning Departments email notification system on our website. When in the *Planning Applications* part of the Council website, www.sdublincoco.ie, and when viewing an application on which a decision has not been made, you can input your email address into the box named "*Notify me of changes*" and click on "*Subscribe*". You should automatically receive an email notification when the decision is made. Please ensure that you submit a valid email address.

Please note: If you make a submission in respect of a planning application, the Council is obliged to make that document publicly available for inspection as soon as possible after receipt. Submissions are made available on the planning file at the Planning Department's public counter and with the exception of those of a personal nature, are also published on the Council's website along with the full contents of a planning application.

Yours faithfully,

M. Crowley
