I wish to object to the proposed development of Scholarstown House, planning ref SD22A/0401 for 76 units consisting of 32 1 bedroom, 34 2 bedrooms and 10 3 bedrooms.

My objection is to the congestion this will add to the local roads, which are already experiencing a high volume of traffic and are unfit for purpose. In April next The Two Oaks Development is due to open which consists of 590 homes.

Furthermore, the proposed entrance to this site is but a few metres away from the Orlagh Shopping Centre on Orlagh Grove Road. It is only 60m approx. from a pedestrian crossing and the roundabout on Scholarstown Road which is frequently congested.

It is also next door to the Community College which brings a large volume of traffic, morning and afternoon as well as night with night classes. Parents and Students use Orlagh Grove Road for drop off, collection and parking.

I urge you to visit and inspect this site as the drawings do not give a proper picture of the negative impact this development will have locally.

Yours faithfully,

Patrick McEvoy
