Re : Planning permission is sought by the board of management of Riverview Educate Together National School for a new single storey prefabricated building containing a classroom of 79.5m<sup>2</sup> and associated site works at Limekiln Road, Greenhills, Dublin 12, D12 VYBA. The new single storey prefabricated building is proposed to be located on the eastern boundary of Riverview Educate Together's external play area

Dear Sir / Madam,

On behalf of our client, the board of management of Riverview Educate Together National school we wish to apply for planning permission for the above project.

Riverview Educate Together shares a site with Setanta Special School. Setanta Special School are using the school as a decant school on a temporary basis while their school in Stillorgan is rebuilt.

Riverview Educate Together is a new school which opened in 2016 with one junior infant class. They occupy the two-storey block at the back of the building. Setanta occupy the rest of the school building. Each year the number of classes in Riverview Educate Together increases. The rebuilding of Setanta School in Stillorgan has been delayed and Riverview Educate Together require the new prefab building to provide additional classroom space.

Please find enclosed with this application the follow information.

- The completed planning application form.
- The site notice.
- The newspaper notice.
- A letter from the owner of the site giving their permission to Riverview Educate Together to apply for planning.
- 6 copies of the following drawings
