**Ref: Planning Application SD22B/0493 - John Gorman and Denis McBride,
126B sarsfield Park, Lucan, Dublin.**

To whom it concerns,

With regret I would like you to note my objection to planning application SD22B/0493 for a proposed two storey extension to the rear of 126B Sarsfield park. My concerns are the following:

- The 1st floor element of the extension with a full roof would negatively affect the light to the rear of my house. Affecting the two rear bedrooms and the ground floor kitchen.
- The privacy of the rear garden is affected by the 1st floor extension bedroom window projecting 5m beyond the current line of terraced houses.

I have no objection to the ground floor element of the application.

Sincerely,

Tim Geaney
