DERBY PRIZE FUND BOOST

DUBAI Duty Free have extended their sponsorship of the Irish Derby into 2023 when the Curragh's premier classic reverts to a Sunday — July 2 — for the first time since 2011. The most prestigious Flat race on the calendar will include an increased prize fund of €1.25m, up from €1m last year. The eight-race programme will

become part of the Tote World Pool, an initiative introduced in 2019 whereby global tote operators operate a single pool at international race meetings. Terrestrial TV coverage of the Irish Derby will include live broadcasts by both RTÉ and ITV, while Dubai Duty Free will also sponsor five other races. PHILIP QUINN

PLANNING APPLICATIONS

FINGAL COUNTY COUNCIL. Project Tile Design Ltd. Intends to apply for Planning Permission for development at Parsickstown, Navan Road, Mulhuddart, Dublin 15. The development will consist of an extension totalling 1,200sqm, to the rear of the existing light industrial warehouse, with matching parapet height and cladding material, to include the provision of 12 no. new car parking spaces, 6 no. new bicycle parking spaces, two loading bays, and all associated site and drainage works.

DUBLIN CITY COUNCIL. I, Denise Ball, intend to apply for planning permission at this site; 1 Willow Park Avenue, Glasnevin, Dublin 11. The development will consist of the conversion of existing attic to non-habitable room and formation of dormer window in roof at side of existing dwelling together with all associated site and development works.

DUBLIN CITY COUNCIL. Planning permission is sought by Grainne and Stephen Tennant for development at Silvermere, 36 Seafield Road West, Clontarf, Dublin 3, D03 XK74. The development will consist of: (i) Demolition of the existing 3 bedroom detached dwelling with attached shed; (ii) The construction of a new two storey 5 bedroom detached dwelling with rooflights, and covered patio to rear at ground floor level (iii) Relocation and widening to 3.3m of the existing vehicular entrance off Seafield Road West; (iv) Associated landscaping and all ancillary and ground works necessary to facilitate development.

DUN LAOGHAIRE RATHDOWN COUNTY COUNCIL. We, John and Mary Muiryan, intend to apply for Retention Permission for the development at this site: Faneham, Sheehy Road, Glasneary, Co. Dublin. The development consists of: The works relate to the increased height of the gate and existing granite gate piers. Minor alterations to fenestration on the north, east and west facades. Minor alterations to the ground floor footprint of the new kitchen extension to the south of the site in the rear garden.

DUN LAOGHAIRE RATHDOWN COUNTY COUNCIL. Killian & Lisa Morris wish to apply for permission for the following works: Proposed single storey flat and pitched roof extension to side of existing building, modifications to first floor window to side along with associated internal modifications and site works at 20 Cloister Way, Blackrock, Dublin (A94 R3N2).

DUBLIN CITY COUNCIL. I, Margaret Kennedy, intend to apply for retention permission for development at 13 Dromard Road, Drimnagh, Dublin 12. The development to be retained consists of the construction of raising two rendered block walls to a height of 1847mm and length of 1847, both to the front of the property; one of which is a boundary wall and one of which is within the curtilage of the property.

DUBLIN CITY COUNCIL. I, Mark Lawler, intend to apply for Permission for development at this site at No. 27 The Coornes, Dublin 8, D08 CR2C. The development will consist of: Part demolition of existing single storey structures to the rear and demolition of existing chimney. Construction of a new single storey extension to the rear. New rooflights to the rear roofslope. All associated alterations to the elevations, internal alterations, site, drainage, landscaping and ancillary works.

DUBLIN CITY COUNCIL. Michelle O'Neill intends to apply for planning permission for development consisting of extension and renovation of an existing house at No. 14 Temple Villas, Palmerston Road, Rathfarnham, Dublin 6 D06A0F5 (A Protected Structure). Works will include the demolition of existing single storey (non original) conservatory and other non original out buildings within the rear garden and provision of: 1) New single storey glazed kitchen, dining area, bootroom/side entrance and glazed link to rear living room incorporating the existing door opening and replacing non original steps.

4) Provision of new basement wine store under main entrance hall accessed with new flight of steps located under the main stairs. 5) Alterations at first floor return level providing a revised bedroom 5 with adjoining shower room and linen store opening off hall landing. 6) Alterations at first floor level to include moving entrance door to master bedroom and provision of new door within master bedroom to new dressing room and master ensuite within front room. 7) Moving entrance doors to bedrooms 2 and 3, rearrangement of partition wall between both bedrooms to provide a more balanced layout. 8) Provision of new conservation type roof light to main landing. 9) Reorganisation of layout at top landing level to provide ensuite shower room and wardrobe to bedroom 4 and enlarged family bathroom. 10) Works to external envelope including provision of breathable insulation to internal face of external walls at first floor return, first floor and top landing level. 11) Upgrading/rehabilitation of all existing sash windows including provision of slim line double glazing to all sashes on front facade. Replacement of sashes to rear and gable to allow slim line double glazing and new slimline sashes with slender glazing bars. Insulation to be provided to underside of all main reception floor floors and within attic spaces. 12) Remedial works to existing roof to include new breather membrane, retiling using existing salvaged natural slate and new slate to match, new lead valleys and flashings, repair and paint existing cast iron rainwater goods, repaint external brickwork in lime mortar and cleaning of all brickwork and stone cills, plinths etc. 13) Provision of new single storey gym, shower, plant room and garden store in rear garden, upgrading works to all boundary walls and rebuilding rear garden wall to rear laneway. 14) Widening of existing vehicular entrance to 3.5m with sensitive alteration of original cast iron railings plus all associated site works, temporary works, new mechanical and electrical installations, drainage and all associated site landscaping to front and rear gardens.

The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, County Hall, Dun Laoghaire during its public opening hours. A submission/observation in relation to the application may be made on payment of €20 within a period of 5 weeks from the date the application is received by the planning authority.

SOUTH DUBLIN COUNTY COUNCIL. Paul Copeland and Laura Faulkner seek permission for the demolition of 32.8sqm, single storey garage and rear extension of semi-detached house; construction of 82.4 sqm. one and two-storey rear & side extension. The development will also include the provision for the modernisation of windows and existing front porch, 1no. new bay window to ground floor, front elevation, 2 no. new rooflights to gable end of extended main roof, 1no. rooflight to rear main roof and 1no. rooflight to rear single-storey extension, with associated site works at no.130 Orwell Park View, Templeogue, Dublin 6W. This application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of South Dublin County Council during its public opening hours of 9am - 4pm, Mon-Fri, and a submission or observation may be made to South Dublin County Council in writing and on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by South Dublin County Council of the application.

FINGAL COUNTY COUNCIL. I, Shane Boland, intend to apply for planning permission for a development at Ardfield, Outfarm Lane, Castleknock, Dublin 15, D15 R7V7. The development will consist of the construction of a new 2 storey dwelling house with velux windows to the front and to the rear of the dwelling, the alteration of the existing driveway entrance to provide for a new driveway to the proposed dwelling and all associated site works. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of Fingal County Council during its public opening hours. A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by the Planning Authority of the application.

DUN LAOGHAIRE - RATHDOWN COUNTY COUNCIL. Permission is sought for Provision of a new porch structure to front with relocation of the existing front door, alterations to the front windows at ground floor and amendments of the existing rear extension to include a flat roof structure with large sliding doors at No.8 Woodlands Park, Blackrock, County Dublin by Trevor & Jillian O'Rourke.

The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority, County Hall, Dun Laoghaire during its public opening hours. A submission / observation may be made on payment of €20 within a period of 5 weeks from the date the application is received by the Planning Authority.

FINGAL COUNTY COUNCIL. We, Universal Developers LLC, intend to apply for a seven year planning permission for development on a site at Crutcherth Road, Dublin 15. The application site is located to the north of the data centre permitted / constructed under An Bord Pleanála Reg. Ref.: PL06F248544 / Fingal County Council Reg. Ref.: FW17A0025, to the west of the two data centres permitted under Fingal County Council Reg. Ref.: FW16A0087; and to the north and west of the 220kV Gas Insulated Switchgear substation permitted under An Bord Pleanála Reg. Ref.: 306834-20. The site is within an overall landholding bound to the south by the R121 / Crutcherth Road, to the west by the R121 / Church Road and to the north by undeveloped land and Crutcherth Drive.

The proposed development consists of the following: Construction of three data centre buildings (Data Centre E, Data Centre F, and Data Centre G), with a gross floor area (GFA) of c. 1,425 sq.m, c. 2,052 sq.m and c. 2,052 sq.m respectively, each over two levels (with Data Centre F and G each including two mezzanine levels); Data Centre F and G will be located in the north-western portion of the overall landholding, with a primary parapet height of c. 19.8 metres and each will accommodate data halls, associated electrical and mechanical plant rooms, a loading bay, maintenance and storage space, office administration areas, with plant and solar panels at roof level; Data Centre E (which will be ancillary to Data Centre F and G) will be located within the south-western portion of the overall landholding, with a primary parapet height of c. 19.8 metres and each will accommodate data halls, associated electrical and mechanical plant rooms, a loading bay, maintenance and storage space, office administration areas, with plant at roof level; Emergency generators and associated flues will be provided within compounds adjoining each of the three data centre buildings (1 no. for Data Centre E, 19 no. for Data Centre F, and 19 no. for Data Centre G); The development includes one diesel tank and two filling areas to generate the proposed emergency generators; Provision of ancillary structures including two MV buildings, water storage tanks and three bin stores; Construction of access arrangements and internal road network and circulation areas, footpaths, provision of car parking (105 no. spaces), motorcycle parking (12 no. spaces) and bicycle parking (56 no. spaces), hard and soft landscaping and planting (including alteration to a landscaped berm to the north of proposed Data Centre E), lighting, boundary treatments, and all associated and ancillary works including underground foul and storm water drainage network, and utility cables.

An EPA-Industrial Emissions Directive (IED) licence will be applied for to facilitate the operation of the proposed development. An Environmental Impact Assessment Report (EIAR) will be submitted to the Planning Authority with the planning application and the EIAR will be available for inspection or purchase at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority. The planning application may be inspected or purchased, at a fee not exceeding the reasonable cost of making a copy, at the offices of the planning authority during its public opening hours. A submission or observation in relation to the application may be made to the Authority in writing on payment of the prescribed fee (€20 euros) within the period of 5 weeks beginning on the date of receipt by the Authority of the application.

WICKLOW COUNTY COUNCIL. William Nolan wishes to apply for permission for the following works: Proposed two storey pitched roof extension to side of existing building and single storey flat roof infill extension and flat roof dormer to rear. Modifications to front elevation to include pitched roof dormer and front door overhanging detail along with associated internal modifications and siteworks At 1 Glen Cottages, Old Fassaroo, Bray, Co. Wicklow (A98 NR71) The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of Wicklow County Council, County Buildings, Wicklow during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.
