**DECISION:** Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

**REASON(S)**

1. Having regard to the location of the proposed development in the front garden of an existing house, and the configuration of the proposed development on the site and the configuration of the site, the proposed development would provide an insufficient level of amenity for prospective residents and have an adverse impact on the residential and visual amenity of the neighbouring residents in the vicinity. The proposed development would therefore be contrary to the content of Section 12.6.8 of the South Dublin County Development Plan 2022-2028 and would set an

undesirable precedent for similar type developments in the area.

2. The proposed development has insufficient car parking provision to cater for the existing three bedroom dwelling and the proposed one bedroom dwelling, there is insufficient space for cars to be parked safely off-street at the shared entrance to the proposed and existing dwelling and there is insufficient space to have safe access and egress for car parking without endangering pedestrians or other road users. This would lead to on-street parking in a cul-de sac required for turning and further exacerbation of an existing issue with informal on-street car parking. The proposed development therefore, would endanger public safety by reason of traffic and pedestrian hazard and obstruction of road users.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
