DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the

imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Duration of Permission
This permission is for a period of ten years from the date of the final grant of permission. The structure and related ancillary structures shall then be removed unless, prior to the end of the period, planning permission shall have been granted for their retention for a further period. The site shall be reinstated on removal of the monopole structure and ancillary structures. Details relating to the removal and reinstatement shall be submitted to the Planning Authority for written agreement as soon as is practicable.
REASON: To enable the impact of the development on the Protected Structure (Rathcoole Garda Station) to be re-assessed, having regard to changes in technology and design during the period of ten years.
3. Architectural Conservation
Prior to the commencement of development the following shall be submitted to the Planning Authority for written agreement:
 - A) A safety statement detailing how the Protected Structure and all associated features will be safeguarded during the proposed removal of the existing telecommunications monopole and the installation of the new lattice tower and new equipment. A designated area shall be provided in order to ensure a buffer is kept ensuring no construction vehicles etc go near the Protected Structure area. Details of the entrance and ingress shall also be provided ensuring any impact or possible damage during construction.
 - B) Details of the paint colour for the new equipment cabinet and fencing. The applicant shall also consider and look into the possibility of painting the lattice tower in a colour that might lessen the overall visual impact within the village area and in order to determine if anything else can be done from a visual impact viewpoint given its location in the curtilage of a protected structure and Architectural Conservation Area.REASON: To protect the interest of the protected structure and Architectural Conservation Area
4. Future Alterations
The power output, antennae type and mounting configuration shall be in accordance with

the details submitted with this application and shall not be altered without a prior grant of planning permission.

REASON: To clarify the nature of the development to which this permission relates and to facilitate a full assessment of any future alterations to the network.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The requirements of the HSE Environmental Health Officer shall be ascertained prior to the commencement of development in the interest of public health.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: The applicant shall notify the Irish Aviation Authority and the Department of Defence regarding any cranes likely to penetrate ICAO surfaces.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014, the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
