DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. The raising of the front boundary wall to 2m would reduce forward visibility for vehicle egressing the site which would endanger public safety by reason of a traffic hazard. The development would also be visually out of character with the area, where boundary treatments are relatively uniform, and would have a negative visual impact on the public realm. The development would therefore not be in the interests of the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
