**Timeframe Extension Clarification of Further Information: SDCC Reg. Ref. SD22A/0156**  
Development at Plot 100, Profile Park,  
Nangor Road, Clondalkin, Dublin 22.

Dear Sir/Madam,

In accordance with Article 33 (3) of the Planning and Development Regulations 2001 (as amended), we, Brock McClure, Planning & Development Consultants, 63 York Road, Dún Laoghaire, Co. Dublin, have been instructed by the Applicant Equinix Ireland Limited, Unit 6/7 Kilcarbery Business Park, New Nangor Road, Dublin 22, D22FV12 to request a 3 month extension of the further information period.

The Clarification of Further Information issued on 17 November 2022 requested 4 no. items including the preparation of an Environmental Impact Assessment. Given the body of work required to adequately respond to the request, an extension of 3 months + 9 days is hereby sought by the Applicant.

The original request for further information was issued by the Planning Authority on 25 July 2022. The 6 month period is set to expire 25 January 2023. We propose to lodge the further information response in the coming months. However, in the event that this is not achieved, we are seeking an extension of 3 months + 9 days (Christmas Period) until 4 May 2023.

We confirm that we act for Equinix Ireland Limited and request that all future correspondence in relation to this matter be directed to this office. If you have any queries please contact me directly.

Yours sincerely,

Majella Quinn
