

Mr. Tristan Dunne  
49 Grange Manor Drive  
Rathfarnham  
Dublin 16

**NOTIFICATION TO GRANT PERMISSION  
PLANNING & DEVELOPMENT ACT, 2000 (as amended) AND PLANNING  
REGULATIONS THEREUNDER**

Final Grant Order No.:	0104	Date of Final Grant:	30-Jan-2023
Decision Order No.:	1551	Date of Decision:	07-Dec-2022
Register Reference:	SD22B/0464	Date:	21-Oct-2022

**Applicant:** Tristan Dunne  
**Development:** 4.4m wide, 6m long, 2.6m to 2.9m high car port.  
**Location:** 49 Grange Manor Drive, Rathfarnham, Dublin 16 D16 X4H1

**Time extension(s) up to and including:**  
**Additional Information Requested/Received:**

A Permission has been granted for the development described above, subject to the following conditions.

**Conditions and Reasons:**

1. Development in accordance with submitted plans and details.  
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.  
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Roads.
  - (i) No part of the car port structure shall be over the public realm.
  - (ii) No roof water shall be directed onto the footpath to the front of the structure but shall be controlled with a gutter and downpipe and brought to a suitable underground surface water drain.
  - (iii) Footpath and kerb shall be dished and widened and the dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense. The footpath and kerb shall be dished and widened to the full width of the proposed 3.5m widened driveway entrance.
  - (iv) Any gates shall open inwards and not out over the public domain.  
REASON: In the interest of public safety and the proper planning and sustainable development of the area, and in order to comply with The Roads Act 1993 Section 13 Paragraph 10.
3. The disposal of surface water shall accord with the requirements of the Planning Authority as follows:
  - (a) The surface water generated by the development (roof and pavements) shall not be

discharged to the sewer but shall be infiltrated locally, to a soakpit or similar. There shall be no overflow to the public network. The soakpit shall be designed to BRE Digest 365, shall be at a min. 5m from the house and shall have no impact on neighbouring properties.

(b) If the applicant does not consider a soakpit a feasible solution, the applicant shall prove that by submitting a report signed by a suitably qualified Engineer, showing an infiltration test (with results, photos, etc), and shall propose an alternative SuDS measure for the written agreement of the Planning Authority thereafter for build-out

(c) Any changes to the parking and hardstanding areas shall be constructed in accordance with the recommendations of the Greater Dublin Strategic Drainage Study for sustainable urban drainage systems (SUDS) i.e. permeable surfacing. Where unbound material is proposed for hardstanding areas, it shall be contained in such a way to ensure that it does not transfer on to the public road or footpath.

REASON: In accordance with GI4 Objective 1 of the County Development Plan 2022-2028 and the South Dublin County Council's Sustainable Drainage Explanatory Design and Evaluation Guide, 2022

#### 4. Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

#### 5. Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, no Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall be operated on the site before 7.00 hours on weekdays and 9.00 hours on Saturdays nor after 19.00 hours on weekdays and 13.00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could

reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

**NOTES :**

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

NOTE: Notwithstanding any grant of planning permission; if an applicant requires permission to access local authority land (e.g. public footpaths, public open space or roadways) in order to access utilities, or for any other reason; please apply via <https://maproadroadworkslicensing.ie/MRL/> for a licence from the Local Authority to carry out those works.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. Please log onto [www.localgov.ie](http://www.localgov.ie) and click on BCMS link.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1: Structural use of reinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
