**Re: Amendment under Section 146A of the Planning and Development Act 2000 (as amended) – Register Reference SD22A/0154.**

Planning permission was granted under Register Reference SD22A/0154 amendment to existing planning permission SD21A/0233.

During the drafting of the planner's report, the following development contribution calculation was included:

<b>Planning Reference Number</b>	SD22A/0154
<b>Summary of permission granted &amp; relevant notes:</b>	1 Dwelling
<b>Are any exemptions applicable?</b>	No
<b>If yes, please specify:</b>	
<b>Is development commercial or residential?</b>	Residential
<b>Standard rate applicable to development:</b>	104.49
<b>% reduction to rate, if applicable (0% if N/A)</b>	0
<b>Rate applicable</b>	€104.49
<b>Area of Development (m2)</b>	177
<b>Amount of Floor area, if any, exempt (m2)</b>	0
<b>Total area to which development contribution applies (m2)</b>	177
<b>Total development contribution due</b>	€18,494.73

This calculation was included in the CE Order number **PR/1407/22**, which granted planning permission. However, the condition was omitted from the final grant in error.

Under Section 146A of the Planning & Development Act, 2000 (as amended), a planning authority may amend a planning permission granted by it for the purposes of –

- (i) Correcting any clerical error therein,
- (ii) facilitating the doing of anything pursuant to the permission or decision where the doing of that thing may reasonably be regarded as having been contemplated by a particular provision of the permission or decision or the terms of the permission or decision taken as a whole, but which was not expressly provided for in the permission or decision, or
- (ii) otherwise facilitating the operation of the permission or decision.
