<b>Register Reference</b>	SD22A/0455	<b>Date</b>	07-Dec-2022

**Applicant:** Kristian Hogan, Ciara, Jarlath & Kevin Dolan

**Development:** Demolish existing structures (total 98sq.m) and construct three detached, storey and a half dwelling houses and connect to public sewer, widening of the existing vehicular entrance and new gate together with all ancillary site works and services.

**Location:** Townland of Perrystown, (laneway of, Muckcross Avenue), Perrystown, Dublin 12

**Additional Information Requested/Received:** /

**Clarification of Additional Information Requested/Received:** /

**DECISION:** Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

**REASON(S)**

1. The generation of additional traffic both vehicular and pedestrian by the proposed development on the narrow unlit laneway, the lack of facilities or capacity to provide facilities for the cyclist/pedestrian traffic generated by the development and the lack of visibility due to high walls and the narrowness of the laneway combine to endanger public safety by reason of a traffic hazard.
2. Insufficient information has been submitted in relation to impact of the proposed development on existing residential amenity. The proposed two storey houses would be approx. 5.3m to 9.1m from the rear boundary of residential properties on Rockfield Avenue. Further information

including contiguous and sectional drawings and a revised site layout plan is required to fully assess the potential impact of the proposed houses on the properties to the rear of the site. The proposed development is therefore considered to be contrary to the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
