Dear Zoe

**Ref: Planning Ref SD21A/0287**

**Extension to Kiltipper Woods Care Centre**

Following our telephone conversation as explained I am getting in touch in regard planning condition 3(g) of the above planning approval which was granted 05 Sept 2022.

Condition 3 includes a request for a mobility plan within 6 months of granted permission – 3(g) “ *a Mobility Management Plan to be prepared within six months of date of final grant of permission*”: this had been assigned to a consultant and we expected to submit it by the end of this week. Unfortunately, the consultant been unable to complete it on time due to a serious staff illness. The consultant is working on the mobility plan and has said they will be able to complete the work within the next four weeks. I would be grateful if you could pass this information on to the senior planner and contact our office if there is any issue regarding the delay.

Please also see attached letter for your records.

Many thanks

Kind regard

Clare
