- This drawing is to be used only for the specific project and for the specific purposes for which it has been prepared. This drawing is not to be relied upon for construction purposes, and no implied or expressed warranty is given as to the suitability for construction purposes, unless the purpose of this drawing is stated to be "construction" or "contract". If the purpose is stated to be "contract" this drawing is not to be used for construction if it is also marked "preliminary".
- The Employer is granted a copyright license to use this drawing and its contents for the purposes for which this drawing has been prepared. If this drawing has been prepared for construction purposes the license will only be valid for a single construction reproduction and shall expire once a single reproduction has occurred. Any such license only passes to the Employer on payment of Architects fees in full and in any event the license cannot be assigned without prior written consent of Simon J Kelly Architects.
- Where the Architects conditions of engagement provide that the Employer obtains copyright (whether by transfer of ownership or expressed or implied licence) for use on projects other than the project which the copyright material was specifically prepared for, the Architect does not accept any liability whatsoever howsoever arising for use of this drawing and its contents (in whole or in part) in relation to any other project and/or purpose other than that for which it was specifically prepared. A copyright settlement to use this drawing and its contents (in whole or in part) is not a warranty that use of this drawing and its contents (in whole or in part) is appropriate in circumstances other than the purpose and project for which it has been prepared.

- Do not scale off this drawing. Figure metrics dimensions only should be taken off this drawing. Imperial dimensions, if any, contained on this drawing are given for illustrative purposes only.

- Any reference to the "Architect" or "Architects" on this or any other relevant document shall mean the nominated project Architect and/or a Director of Simon J Kelly Architects who has been nominated as the partner-in-charge but only while such Architect remains in the employment of Simon J Kelly Architects.
- Any questions as to the meaning or application of these conditions shall be submitted in writing to the Architect for his/her ruling and such a ruling shall be conclusive as to the meaning or application of these conditions.
- Simon J Kelly Architects, their Agents, Architects, employees and/or directors shall not be liable for any loss damage or injury consequential or otherwise howsoever arising for failure to comply with any or all of these conditions.
- Should anyone copy this drawing in whole or in part with or without consent and use the copy in relation to a purpose and/or project for which the drawing has not been prepared for, such use is at the sole and exclusive risk of the copier and Simon J Kelly Architects do not accept any liability whatsoever howsoever arising in relation to such use.
