

PHASE 2 WORKS (hatched in red) - subject to a future planning application / not subject to this application:

Adaptive re-use, strategic demolitions and interventions and refurbishment of Block D, and upper floors of Block E, to provide: General Purpose (Dining) Room, Music Room, 4 Classrooms, school offices and meeting rooms, lockers areas, Design + Communications Graphics classroom, 3rd Science Laboratory and Home Economics Rooms, together with up to 24 additional car-parking spaces (incl. surplus to DCC requirements to facilitate first-language teachers commuting long distances) and completion of landscape upon removal of Temporary Accommodation block.

RFI ITEM 1(b):
24 permanent vehicular car parking spaces (spaces number 25 to 48) to serve the school at Phase 2, which is subjected to a future planning application.

Please refer to the following:

- 2350_SJK_RFL_S2B_RP_01 - Project Statistics - Car and cycle Parking

PHASE 2 WORKS (hatched in red) - subject to a future planning application / not subject to this application:

Adaptive re-use, strategic demolitions and interventions and refurbishment of Block D, and upper floors of Block E, to provide: General Purpose (Dining) Room, Music Room, 4 Classrooms, school offices and meeting rooms, lockers areas, Design + Communications Graphics classroom, 3rd Science Laboratory and Home Economics Rooms, together with up to 24 additional car-parking spaces (incl. surplus to DCC requirements to facilitate first-language teachers commuting long distances) and completion of reinstatement of landscape upon removal of Temporary Accommodation block.

RFI ITEM 1(c):
8 no. car parking spaces associated with Loreto Abbey Residential Development (spaces numbers A1 to A8), reduced from existing 20 no. car parking spaces.

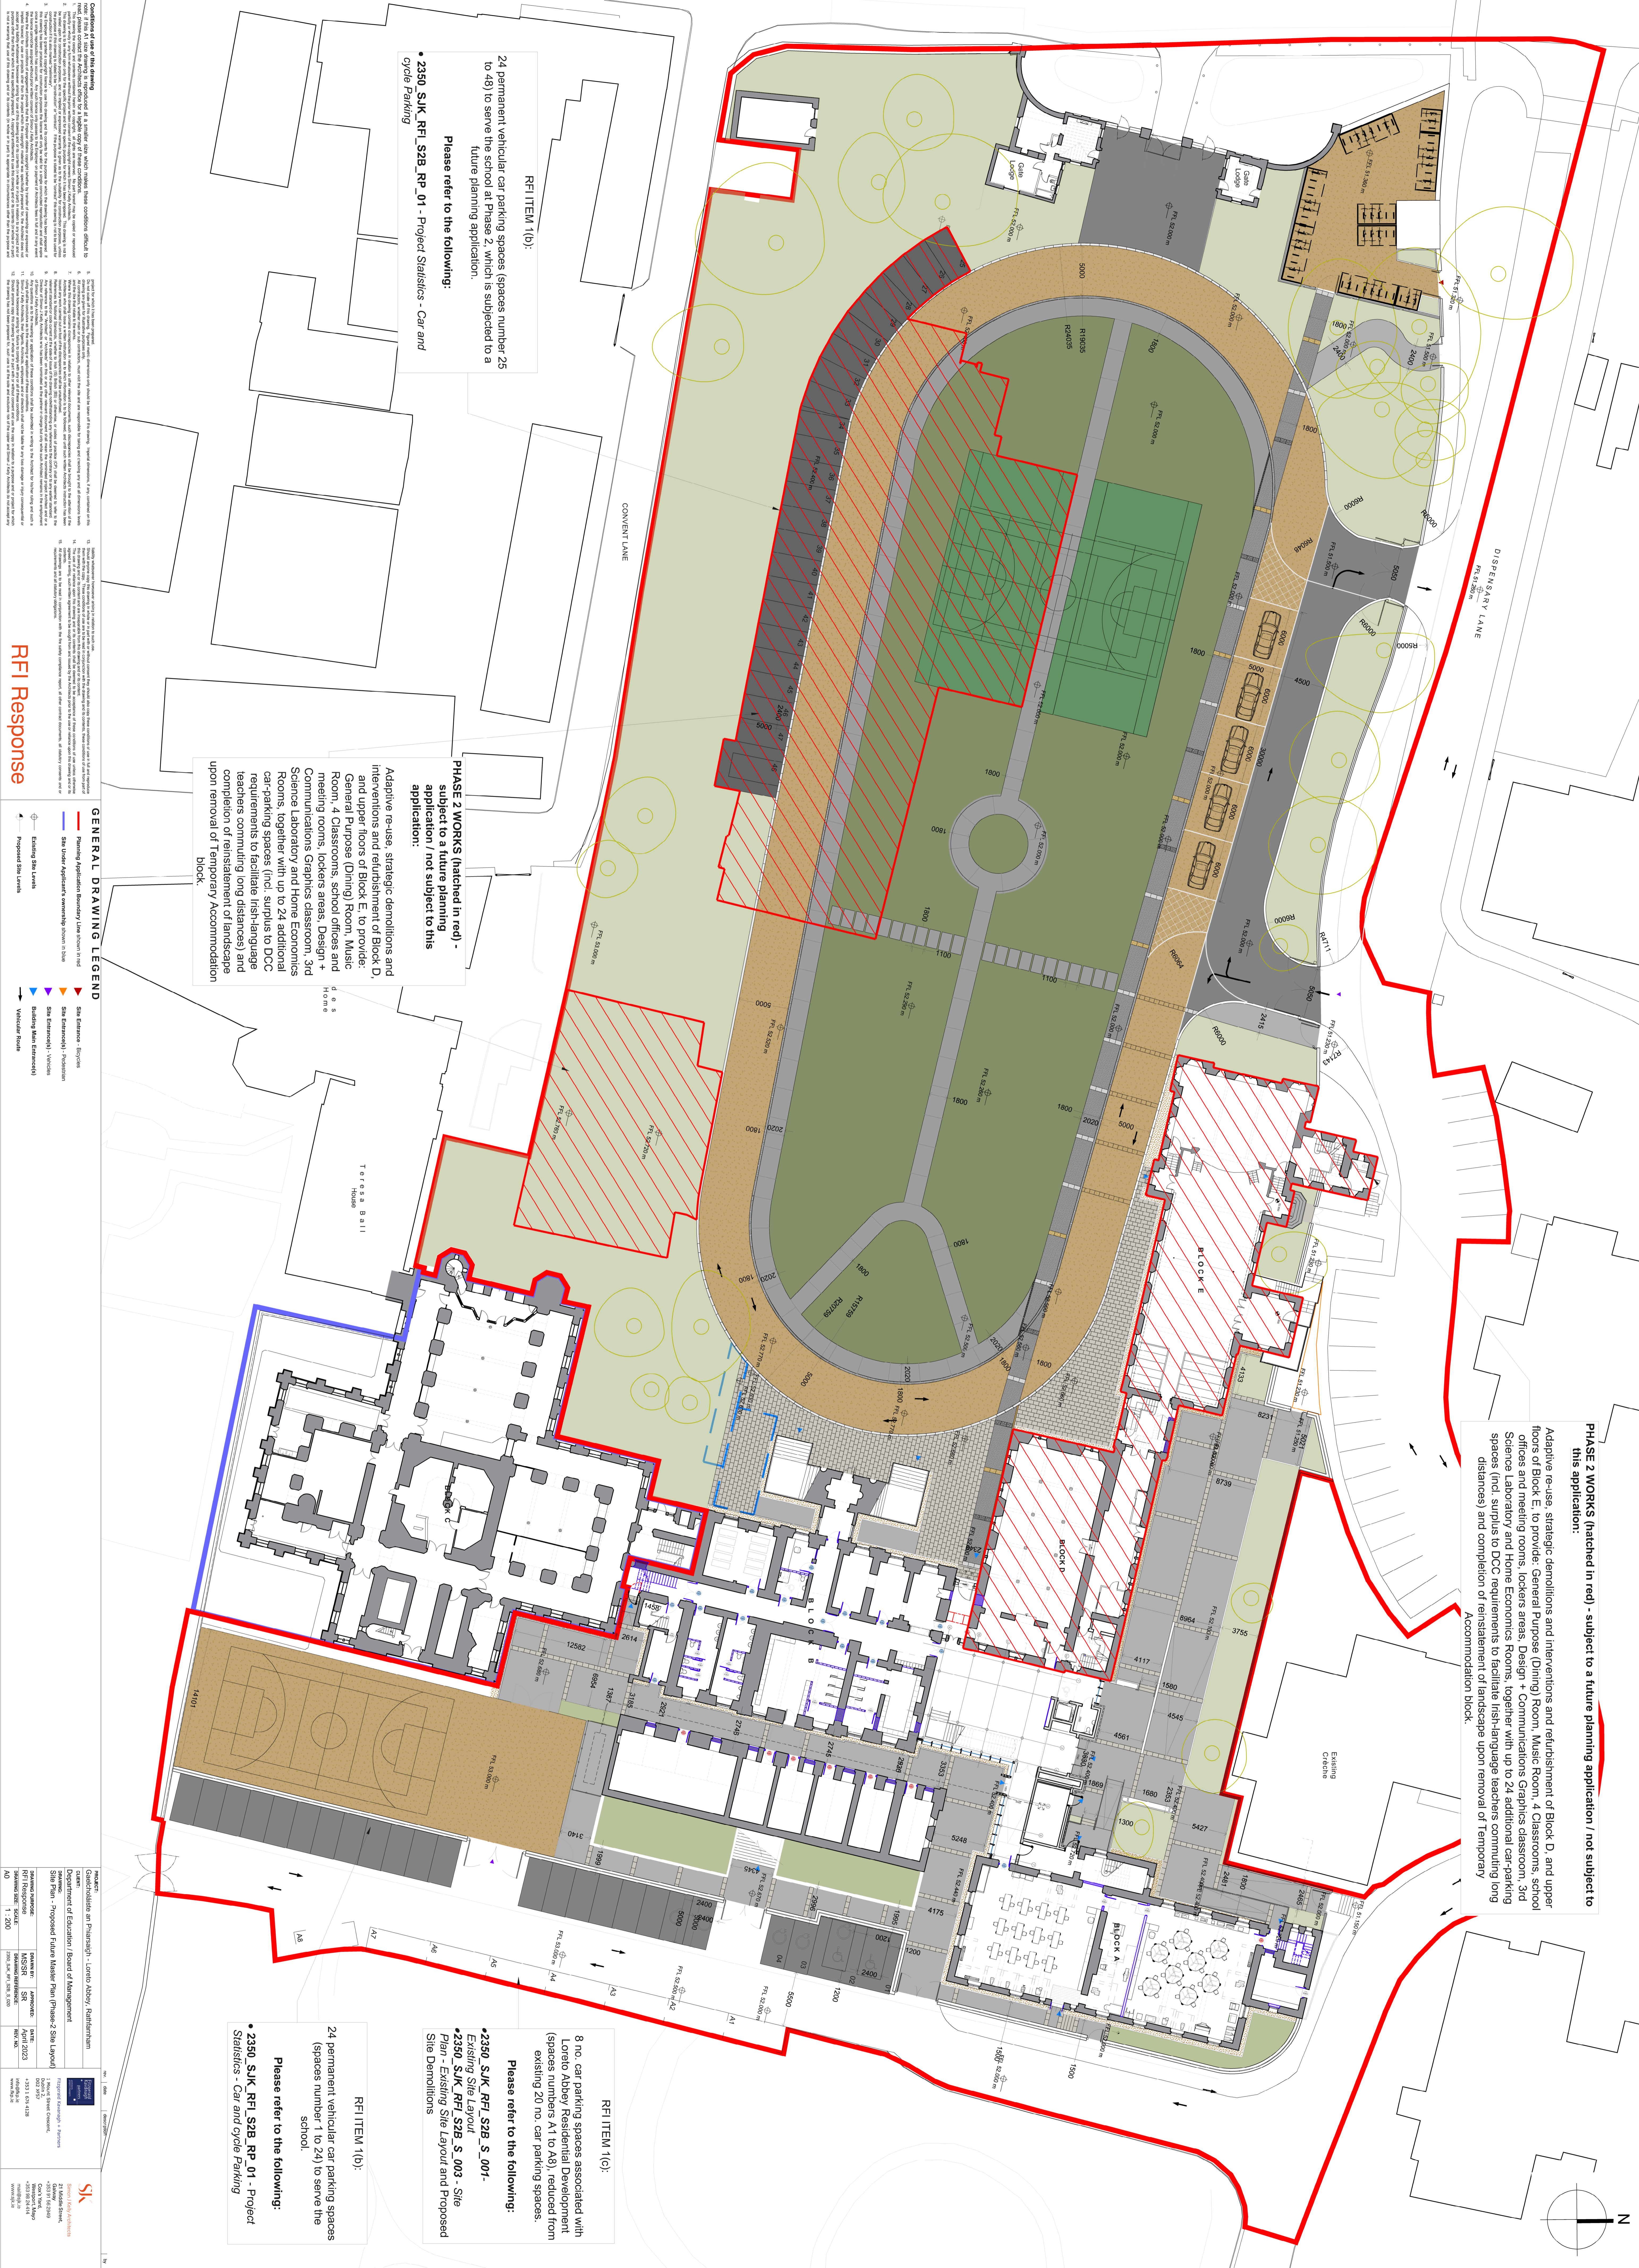

Please refer to the following:

- 2350_SJK_RFL_S2B_S_001 - Existing Site Layout
