Issuer's Initials	GK GK GK

These documents have been examined for design intent. Comments or any other form of communication in respect of drawings shall not in any way relieve the contractor from responsibility in respect of the accuracy required of all such drawings nor the responsibility to provide completed works suitable in dimension, construction and finish for the location in which they occur. Dimensional accuracy and compliance of detail remain the responsibility of the contractor. Comments do not relieve specialist subcontractors of their design responsibilities.
