## **FIRST SCHEDULE**

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

## **SECOND SCHEDULE**

### **Conditions and Reasons:**

1. Development to be in accordance with submitted plans and details.  
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, and as amended by Further Information received on 20/04/2023, save as may be required by the other conditions attached hereto.  
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. Amendments.  
Prior to the commencement of development the applicant, owner or developer shall submit the following for the written agreement of the Planning Authority:  
Revised plans that incorporate all of the following amendments-
  - (a) The rear elevation of the proposed dwelling shall be consistent with the existing dwelling. The pitched roof feature on the rear elevation shall be omitted so as to avoid encroachment onto the neighbouring property.
  - (b) No window is permitted on the side elevation at attic level.
  - (c) The first floor window on the side elevation serving the staircase/landing shall be obscure glazing and shall be maintained as such in perpetuity.REASON: To protect the amenities of the area and in the interests of the proper planning and sustainable development of the area.
3.
  - (a) External Finishes.  
All external finishes shall harmonise in colour or texture that is complementary to the house or its context.  
REASON: In the interest of visual amenity.
  - (b) Restriction on Use.  
The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.  
REASON: To prevent unauthorised development.
  - (c) Drainage - Irish Water.
    - (i) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.
    - (ii) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.
    - (iii) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

(d) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(e) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

4. Permission Required for Class 1 & 3 Exemptions.

Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001 as amended, and any statutory provision replacing or amending them, no development falling within Class 1 or Class 3 of Schedule 2, Part 1 of those

Regulations and any statutory provision replacing or amending them shall take place within the curtilage of the proposed development without a prior grant of planning permission.

REASON: In order to ensure that a reasonable amount of rear garden space is retained for the benefit of the occupants of the dwelling, compliance with Development Plan policy, and in order to protect the residential amenity of the area.

5. Boundary treatments

Prior to commencement a scheme for the siting and design of front boundary treatments shall be submitted for the approval of the local planning authority indicating the positions, design, height, materials and type of boundary treatment to be erected. The boundary walls and gates at vehicle access points shall be limited to a maximum height of 0.9m, and any boundary pillars shall be limited to a maximum height of 1.2m, in order to improve forward visibility for vehicles. The boundary treatment shall be completed before the building is occupied.

REASON: In order to ensure high quality landscaping for the boundaries of the site in the interests of visual amenity and to safeguard the residential amenity of neighbouring occupiers, in accordance with relevant policies and objectives contained within the current County Development Plan.

6. Vehicular Access

A. Prior to the commencement of development, the applicant shall submit a revised site layout plan showing a vehicular access point limited to a width of 3.5m. Any extension to the width of the access shall occur away from the existing street tree.

B. The driveway shall be permeable paving to increase the surface water drainage capabilities of the site.

C. Footpath and kerb shall be dished and widened, and the dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense. The footpath and kerb shall be dished and widened to the full width of the proposed widened driveway entrance.

D. Any gates shall open inwards and shall not impinge on the public footpath.

E. It is noted that there is a drainage cover in the vicinity of the proposed access, the applicant shall make any necessary arrangement with the correct utility provider if the proposed works are going to impact on these assets.

REASON: In the interest of the proper planning and sustainable development of the area.

7. Sustainable Urban Drainage Systems (SuDS)

A. The applicant shall include additional SuDS for the proposed development such as but not limited to the following:

- Permeable pavement (for example driveways and rear patios)
- Raingarden planters with overflow connection to a public surface water sewer
- Swales and rill channels
- Grasscrete

B. Prior to the commencement of development, the applicant shall submit drawing in plan and cross-sectional view showing overflow connection up to the point of connection to a public surface water network for the planter boxes.

REASON: In the interest of the proper planning and sustainable development of the area.

8. Restriction on Use.

The house shall be used as a single dwelling unit and shall not be sub-divided by way of sale or letting (including short-term letting) or otherwise nor shall it be used for any commercial purposes.

REASON: To prevent unauthorised development.

9. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €9, 170.70 (Nine Thousand, One Hundred and Seventy Euros and Seventy Cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contributions under the Scheme shall be payable prior to commencement of development or as otherwise agreed in writing by the Council. Contributions due in respect of permission for retention will become payable immediately on issue of the final grant of permission. Contributions shall be payable at the index adjusted rate pertaining to the year in which implementation of the planning permission is commenced.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

NOTE: Where the applicant proposes to connect to a public water/wastewater network operated by Irish Water, the applicant must sign a connection agreement with Irish Water prior to the commencement of the development and adhere to the standards and conditions set out in that agreement.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014, the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
