**Information Requested/Received:**

**DECISION:** Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

**REASON(S)**

1. The proposed extension, by reason of its overall design including the proposed height, scale and massing is considered to contravene the site HA-DM' zoning objective 'To protect and enhance the outstanding natural character of the Dublin Mountains Area' and fails to comply with the requirement of Policy H23 Objective 1 of the South Dublin County Development Plan 2022 – 2028. Furthermore the proposed extension, in particular the proposed alterations to the roof profiles would not comply with Section 12.6.9 'Rural Housing' of the Development Plan which required 'The shape and form of residential development in rural and high amenity areas, including roof structures, should be compact and simple with external building finishes that

reflect the local character of the area including vernacular buildings and traditional building materials.’ Accordingly it is considered that the development as currently designed, and with the deficiencies in information provided, would, therefore, be contrary to the proper planning and sustainable development of the area.

2. Contrary to Policy GI4 ‘Sustainable Drainage Systems’ of the Development Plan, the applicant has not proposed any Sustainable Drainage Systems (SuDS). Give the significant increase of floor area, at an elevated and sensitively located site, this is unacceptable and represents a serious deficiency in the application. To permit development without due consideration of appropriate SuDS would be contrary to the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
