DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION FOR RETENTION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be retained and completed fully in accordance with plans, particulars and specifications lodged with the application, as amended by further information as received on 19/05/2023, within 3 months of the grant of permission, save as may be required by other conditions attached hereto.
REASON: To ensure that the development is in accordance with the permission and that effective control is maintained.
2. Dish Kerb and Footpath.
The kerb and footpath of the public road at the vehicle entrance(s) shall be,
(a) dished and a widened dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense, and
(b) all works shall be completed fully in accordance with the terms of a Road Opening Licence to be obtained by the applicant, developer, or owner from the Council prior to commencement of any works in the public domain.
REASON: In the interest of public safety and the proper planning and sustainable development of the area, and in order to comply with The Roads Act 1993 Section 13 Paragraph 10.
3. Gates.
No gate to be installed or erected shall be capable of opening across any public footpath, cycle-track, roadway or right of way, and any front entrance pillars shall be a maximum height of 1.2m . The applicant shall submit revised plans/elevations displaying the maximum pillars heights to be reduced to a maximum height of 1.2m.
REASON: In the interests of visual amenity and pedestrian safety.
4. Minimise Air Blown Dust.
During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.
REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

5. Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, no Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall be operated on the site before 7.00 hours on weekdays and 9.00 hours on Saturdays nor after 19.00 hours on weekdays and 13.00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

6. External Finishes.

All external walls shall be rendered on all sides and capped.

REASON: In the interest of visual amenity.

7. The development hereby approved shall incorporate all of the following amendments-

- (a) Reduction in front boundary pillars to a maximum height of 1.2m.
- (b) Reductions in front side boundary walls to a maximum height of 1.2m.

REASON: To protect the amenities of the area and in the interests of the proper planning and sustainable development of the area.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014, the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
