

Armstrong Fenton Associates
Unit 13, The Seapoint Building
44/45, Clontarf Road
Dublin 3

Date : 10-Aug-2023

Reg. Ref. : SDZ22A/0010/C10
Proposal : Kelland Homes Ltd. intends to apply for permission for development on a site area of 6.3Ha, on lands within the townland of Cappagh, Dublin 22. The proposed development is located west of the Ninth Lock Road, south of the Dublin-Cork railway line, north of Cappaghmore housing estate and Whitton Avenue, and east of an existing carpark / park & ride facility at the Clondalkin Fonthill train station and the R113 (Fonthill Road). The proposed development is located within the Clonburris Strategic Development Zone (SDZ), within the development areas of (I) Clonburris South East (i.e. CSE-S1 & CSE-S2) and (ii) part of Clonburris Urban Centre (i.e. CUC-54), as identified in the Clonburris SDZ Planning Scheme 2019. The proposed development consists of the construction of 294 no. dwellings, creche and retail / commercial unit, which are comprised of: 118 no. 2, 3 & 4 bed, 2 storey semi-detached and terraced houses, 104 no. 2 & 3 bfd duplex units accommodated in 10 no. 3 storey buildings, 72 no. f' & 2 bedroom apartments in 2 no. 4 & 6 storey buildings, 1 no. 2 storey creche (c.520.2m²), 1 no. 2 storey retail /commercial unit (c.152.1m²). Access to the development will be via the permitted road network (under Ref. SDZ20A/0021) which provides access from the Ninth Lock Road to the east and the R113 (Fonthill Road) to the west. The proposed development will connect into the permitted Infrastructural works as approved under the Clonburris Strategic Development Zona Planning Scheme (2019) and permitted under Ref. SDZ20A/0021, with the proposed development connecting into the permitted surface water drainage attenuation systems i.e. 1 no. pond, 3 no. modular underground storage systems and 1 no. detention basin combined with modular underground systems. The proposed wastewater infrastructure will connect into a permitted foul pumping station and pipe network within proposed road corridors to facilitate drainage connections to future wastewater drainage infrastructure within the adjoining SOZ lands (Including future Irish Water pumping

station permitted under SDZ21A/0006). The proposed development also provides for all associated site development works above and below ground, public & communal open spaces, hard & soft landscaping and boundary treatments, surface car parking (401 no. spaces), bicycle parking (797 no. spaces), bin & bicycle storage, public lighting, plant (M&E), utility services & 4 no. ESB sub-stations. This application is being made in accordance with the Clonburris Strategic Development Zone Planning Scheme 2019 and relates to a proposed development within the Clonburris Strategic Development Planning Scheme Area, as defined by Statutory Instrument No. 604 of 2015.

Condition 10:

Construction Consultation and Local Liaison

(a) Prior to the commencement of development, the applicant/owner shall submit the following to the Planning Authority:

(i) the names, job functions and phone numbers (both fixed line and mobile numbers) of all key personnel for the construction of the development as approved. Subsequently all changes in these personnel or particulars in the course of construction must also be notified to the Council as soon as they occur.

(b) The applicant/owner or developer shall provide occupiers of noise sensitive properties within 100 metres of agreed construction access points to the development as approved with appropriate contact details which may be used in the event that any such person wishes to inform the operator of any incident that could give rise to a disruptive aspect of construction activity, or otherwise to make an observation in respect of an aspect of construction activity.

(c) A public notice shall be erected and maintained at the agreed construction access points. This notice shall contain the name of the operating company and contact details, including out of hours contact, which may be used in the event that any person wishes to contact the operator in respect of any disruptive aspect of construction activity.

REASON: In the interests of amenity, public health and safety, the avoidance of unnecessary disruptive aspect of construction activity and the proper planning and sustainable development of the area.

Location : The proposed development is located west of the Ninth Lock Road, south of the Dublin-Cork railway, line, north of Cappaghmore housing estate and whitton Avenue, and east of an existing carpark/park, & ride facility at the Clondalkin, Fonthill train station

Applicant : Kelland Homes Ltd

Application Type: Compliance with Conditions

Dear Sir/Madam,

I refer to your submission received on 15-Jun-2023 to comply with Condition No 10 of Grant of Permission Order No. SDZ22A/0010, in connection with the above.

In this regard I wish to inform you that the submission received is satisfactory.

Comments:

“The Letter prepared by Armstrong Fenton Associates dated 15th June 2023 outlines the names, job functions and phone numbers of all key personnel involved in the construction of the permitted development. The information provided by the Applicant successfully addresses the requirements of item (a). However, the Applicant should be reminded that the Planning Authority should be informed of any changes to the contact list as soon as they occur. “

Yours faithfully,

M.C.

for Senior Planner
