Dear Sir or Madam,

As residents on the lane, we are concerned about safety issues relating to the traffic going to and from Carolan Park. The road is not suitable for the large volumes of traffic that are likely to be generated by increasing the capacity of the site. There have been long delays with traffic dangerously backed-up around the corner on to Kiltipper Rd. As well as cars getting stuck, the traffic makes it extremely hazardous for anyone cycling or walking. Maybe opening access from Kiltipper Park would make increased usage more feasible.

We understand it is development for the local community but issues like the entranceway being an eyesore, floodlights causing problems and noise at inappropriate times shows a lack of consideration for local residents.

Kind regards,

Keith and Anna Murray

Kiltipper Road,
