Grant of Permission Ref. SDZ22A/0010.
Permitted development in the
Clonburris Urban Centre (CUC-S4)
and Clonburris South East (CSE-S1 & CSE-S2)
of the Clonburris Strategic Development Zone (SDZ).**

Dear Sir/ Madam,

1.0. Introduction

- 1.1.** On behalf of our client, Kelland Homes Ltd., we, Armstrong Fenton Associates, of 13 The Seapoint Building, 44/45 Clontarf Road, Clontarf, Dublin 3, D03 A0H3, wish to submit the following and enclosed details of compliance with the planning condition no. 14 attached to the grant of permission under Ref. SDZ22A/0010
- 1.2.** An order to grant permission under Ref. SDZ22A/0010 was issued by South Dublin County Council on 3rd April 2023. The permitted development is located west of the Ninth Lock Road, south of the Dublin-Cork railway line, north of Cappaghmore housing estate and Whitton Avenue, and east of an existing carpark / park & ride facility at the Clondalkin Fonthill train station and the R113 (Fonthill Road)
- 1.3.** The development, as applied for, consisted of, *inter alia*, 294 no. dwellings, creche and retail / commercial unit. It should be noted that the grant of permission received includes for 32 no. conditions which have appropriately amended the development as applied for. These amendments are detailed in the various individual compliance submissions being issued to the Planning Authority for agreement.
- 1.4.** The subject compliance submission relates to **Condition No. 14** of the grant of permission received i.e., the submitted materials and finishes for the permitted development. The details of our compliance submission in relation to **Condition No. 14** can be found in section 2 below. Appendix A of this compliance letter details the full list of enclosures which accompany this compliance submission – please refer to same in conjunction with the reminder of this compliance letter.

2.0. Compliance Submission

Subject Condition (Condition No. 14)

2.1. Condition No. 14 of the grant of permission received relates to submitted materials and finishes for the permitted development. Condition No.14 reads as follows:

“Prior to the commencement of development, the applicant/developer shall submit materials and finishes of the development for the written agreement of the Planning Authority.”

Compliance Submission for Condition No. 14

In compliance with Condition No. 14 of the grant of permission received, Appendix A at the end of this compliance letter provides for a full list of enclosures submitted as part of the subject compliance submission - please refer to the submitted drawings for full details - however, for convenience, the following sub-subsections refer the reader to the relevant drawings for each part of the condition of the grant of permission received.

- 2.2. In compliance with **Condition No. 14** of the grant of permission received, we refer the planning authority to the enclosed “Materials & Finishes” document prepared by Davey + Smith Architects. The document contains the selected materials and finishes for each house type and duplex buildings of the permitted development of Phase K1, in compliance with condition no. 14 of the grant of permission received. The document also provides elevations of permitted houses and duplexes with their typical finishes, with the aim of improving visual amenity within the permitted development.
- 2.3. The enclosed document prepared by Davey + Smith Architects include 5 no. brick types “B01 to B05” (inclusive) and 4 no. render types “RE01 to RE04” (inclusive) which will be used as material and finishes for the permitted development, Phase K1. It should be noted that both housing units and duplex units will share the same roof finish consisting of concrete tile “RF01” and porch canopy “RF02”, please refer to the document for further visual details.
- 2.4. The permitted houses will include selected brick “B05” with a render finish of “RE04”. We refer the planning authority to the enclosed document page 06 which illustrates the elevation of the permitted house types demonstrating the selection of materials and finishes, prepared by Davey + Smith Architects.
- 2.5. The permitted duplex blocks B & F will include a mix of materials and finishes which proposes to bring a unique sense of place to the area. Elevations illustrated on page 07 of the enclosed document shows both end duplex units will include a brick finish of “B01”. The mid-duplex units will include render finishes of “RE02, RE01 and RE03”, please refer to the enclosed document illustrating same.
- 2.6. The permitted duplex blocks A & E will include a mix of materials and finishes which proposes to bring a unique sense of place to the area. Elevations illustrated on page 08 of the enclosed document shows both end duplex units will include a brick finish of “B01”. The mid-duplex units will include brick finishes of “B02, B03 and B04”. It should be noted that Duplex Block E roof form is different to Block A, while the proposed front façade materials are the same. We refer the Planning Authority to the enclosed “Materials and Finishes” document prepared by Davey + Smith Architects.

Should circumstances change in future as construction on site progresses, any amendments to the material finishes including colours and textures, will be submitted to the planning authority in a timely manner for agreement.

3.0. Conclusions & Enclosures

3.1. We fully consider the submitted materials and finishes details showing compliance for the permitted development to be appropriate and in compliance with the grant of permission received. For clarity we confirm that, once agreed, all units will be provided in accordance with the agreed scheme, as per condition of the grant of permission.

- 3.2. We respectfully request that the Planning Authority assess the submitted materials and finishes details for the permitted development in a judicious manner so development can progress as soon as possible, and much needed housing be provided on the subject site.
- 3.3. This compliance submission has been sent electronically via email to the Planning Authority as requested by the compliance section of South Dublin County Council. Should circumstances have changed and printed hard copies of this compliance submission now be required please do not hesitate to contact us at alison@armstrongfenton.com or by telephone number on (01) 47 93 140. Appendix A below provides for a full list of enclosures forming part of the subject compliance submission – please refer to same for details.
- 3.4. We trust all the above and submitted are in order and we look forward to hearing back from the Planning Authority confirming that the submitted materials and finishes details are acceptable and in compliance with **Condition No. 14** of the grant of permission received.

Yours Sincerely,

Alison Nash
