DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. Notwithstanding the grant of planning permission for similar development under planning reference SD16A/0450, the proposals to build over an existing culvert and the absence of a setback contravene IE3 Objective 2 of the South Dublin County Development Plan (CDP) 2022-2028 and would be prejudicial to public health and would give rise to risk of localised flooding as a result of blockage and inadequate maintenance access. Moreover the replacement of existing culvert with three concrete pipes exacerbates the risk of blockage and localised flooding contrary to the proper planning and sustainable development of the area and in contravention of the CDP 2022-2028.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
