Developer: Quintain Developments Ireland Limited

Location: Adamstown Station Blocks A, C and D.

Dear Ms. Grogan,

I note that it is your intention to lodge a planning application for the above development of 436 units. It is noted that the Developer intends on fulfilling its part V obligation by providing a total of 44 units consisting of 13 x 1 Bed, 28 x 2 Bed and 3 x 3 Bed Apartments on site.

I can confirm that the Housing Department is satisfied to release this validation letter in order to facilitate the lodging of the application as a Part V proposal has been made. Negotiations are ongoing and further proposals are subject to review and consideration by the Housing Department & planning approval. Proof of Date of ownership of the site is required from the applicant to determine their Part V Percentage liability.

South Dublin County Council's preferred option is to acquire units **on site** and is bound by the planning permissions granted. Therefore, South Dublin County Council can only agree in respect of the actual permitted development subject to costing approval from the Department of Housing, Local Government and Heritage. These negotiations will commence following any grant of planning permission. Please note that South Dublin County Council would require a fully completed Part V submission prior to commenting on costs.

Yours Sincerely,

Edel Dempsey
Senior Staff Officer
Housing Department
