Condition 22:

Construction Environmental Management Plan

Prior to the commencement of development, the applicant/developer shall submit a sitespecific Construction Environmental Management Plan (CEMP) for the written agreement of the Planning Authority. The CEMP should detail and ensure Best Construction Practices including measures to prevent and control the introduction of pollutants and deleterious matter to surface water and measures to minimise the generation of sediment and silt. Details around storage of construction materials, dust suppression and construction-related fuel and oil and roofed bunds that exclude rainwater shall be included. The developer must take precautions to ensure there is no entry of solids, during the connection of pipework, or at any stage to the existing surface water system. The CEMP should provide for the assignment of a designated, suitably

experienced, and person during the construction phase, to monitor and ensure all environmental mitigation measures are implemented and functioning correctly and related record of checks shall be maintained and made available for inspection.

REASON: In the interests of good water quality and the proper planning and sustainable development of the area.

Location : Within the townland of Cappagh, Clonburris, Dublin 22
Applicant : Cairn Homes Properties Ltd.
Application Type: Compliance with Conditions

Dear Sir/Madam,

I refer to your submission received on 28-Nov-2023 to comply with Condition No 22 of Grant of Permission No. SDZ22A/0018, in connection with the above.

In this regard I wish to inform you that the submission received is satisfactory.

Yours faithfully,

M.C.

for Senior Planner
