

Stephen Little & Associates
26/27, Upper Pembroke Street
Dublin 2

Date : 02-Nov-2023

Reg. Ref. : SDZ22A/0007/C20
Proposal : Comprising Phase 1 of the Adamstown Boulevard Development Area and consists of 38, 768.21sq.m. of residential development to be constructed in a mix of housing and apartment units, with 423 residential units proposed in total (of which 166 units are subject to the application for outline permission); The housing units for which permission is being sought are on a site of 9.22Ha shall comprise 75 two bedroom units, 113 three bedroom units and 69 four bedroom units, ranging from 2 to 3 storeys in height; Outline permission is sought on a site of 0.54Ha for the apartment block, which shall range from 5 to 9 storeys in height and comprises 11 studio units, 76 one bedroom units and 79 two bedroom units; All residential units are provided with private open space, in the form of private rear gardens or balconies; The proposed development includes approximately 0.95 Ha of public open space in the form of a linear open space located on the east of the site stretching between Adamstown Way and Station Road and a pocket park located in the north-west of the site. 488 car parking spaces are proposed in total. 433 of these are allocated to the housing element of the development, and 55 are allocated to the apartments. A total of 52 visitor spaces are provided across the site; A total of 6 disabled spaces and 6 EV spaces are proposed. 40 secure bicycle parking spaces are provided in 4 locations throughout the site. 3 ESB Substations are also provided; Vehicular access to serve the development is provided from the existing Adamstown Avenue and Adamstown Way from the west and north, Station Road to the south and Stream Road, which bisects the Boulevard Development Area. A new bus turning circle, along with bus lay-bys are proposed on the south of the site on Station Road; The development includes the provision of ancillary site development works, boundary treatments and landscape works; This development amends aspects at the interface between the proposed development and the development at The Crossings currently under construction and permitted

under Reg. Ref. SDZ20A/0017 (as amended by SDZ21A/0021) on lands bounded generally to the north by Adamstown Way and the Aderrig Development Area, currently under development subject to planning permissions Reg. Ref. SDZ20A/0017 (as amended by SDZ21A/0021) and Reg. Ref. SDZ21A/0014; to the east by currently undeveloped lands within the Adamstown Station Development Area as well as the railway overpass and its approach road known locally as 'the farmer's bridge'; to the south by the existing railway line and to the west by undeveloped agricultural lands; This application is being made in accordance with the Adamstown Planning Scheme 2014, as amended, and relates to a proposed development within the Adamstown Strategic Development Zone Planning Scheme Area, as defined by Statutory Instrument No. 272 of 2001.

Condition 20:

Street Lighting

A maximum of two weeks from the date of any Commencement Notice within the meaning of Part II of the Building Control Regulations 1997 and prior to the commencement of works on site the applicant, owner or developer shall have lodged with the Planning Authority for written agreement:

A Public Lighting Scheme for the development as approved, designed to provide for high quality public lighting throughout the public realm of the site, prepared by competent public lighting design consultants to BS5489: European Lighting Standard EN13201 2013 or the latest NSAI (National Standards Authority of Ireland) versions approved, and the SDCC Specification for Public Lighting Installations in Residential and Industrial Developments: Revision 2 dated 14/10/2016.

Completed Lighting Design and Electrical designs to serve the entire development including details of the overall height of all proposed equipment shall be lodged with the Public Lighting Scheme. The public lighting scheme shall be contained within the public realm of the development as approved, entirely in areas to be offered for taking in charge or subject to the responsibility in perpetuity of an approved management company.

Appropriate natural or artificial lighting or both shall be provided and maintained throughout car parking areas. The external lighting scheme shall be designed to minimise potential glare and light spillage and shall be positioned and/or cowed away from residential properties. No lighting

column shall be located within the eventual canopy spread of any proposed street tree or other tree as the case may be.

The public lighting design consultants should consult with the Council's Parks section in this regard.

In addition, no dwelling unit/commercial unit shall be occupied on any street until the public lighting provided for that street is operational fully in accordance with the agreed Public Lighting Scheme for the overall development.

The applicant, owner or developer may consult with the Council's Public Lighting Section before lodging the required plan for agreement.

REASON: In the interests of public safety and amenity, to prevent light pollution and in the interests of the proper planning and sustainable development of the area.

Location : In the townlands of Gollierstown & Aderrig, Adamstown, Lucan, Co. Dublin

Applicant : Adamstown Station & Boulevard Ltd.

Application Type: Compliance with Conditions

Dear Sir/Madam,

I refer to your submission received on 04-Sep-2023 to comply with Condition No 20 of Grant of Permission No.SDZ22A/0007, in connection with the above.

In this regard I wish to inform you that the submission received is satisfactory.

Yours faithfully,

M.C.

for Senior Planner
