Application Type: Compliance with Conditions

Dear Sir/Madam,

I refer to your submission received on 22-Apr-2024 to comply with Condition No 2(b) of Grant of Permission No. SDZ22A/0018, in connection with the above.

In this regard I wish to inform you that the submission received is deemed **not** compliant.

Comments:

“Compliance submission:

The applicant/agent has submitted the following documentation with the compliance submission:

- Cover letter prepared by Cairn Homes
- Responses prepared by both Byrne Environmental Ltd. and KeyGreen
- Site Plan showing waste storage areas.

Planner’s response:

SDCC’s Waste Enforcement & Licensing Team has reviewed the submission and state in their report: *‘In their response of the 19th April 2024, the details submitted by KeyGreen do not address the issues fully in relation to the 4 no. items notified to them in the confirmation of non-compliance. There are no details on the segregation of waste streams in these units, and there is no detail on how individual responsibility for waste segregation is managed. They refer to shared/communal bin store spaces – however their response would indicate they actually propose shared/communal bins. The responses in relation to Item 1, 2 & 4 does not address the actual issue raised in the item. The proposal is not in compliance’.*

It is therefore considered that the submission is **not in compliance** with Condition 2(b).

Conclusion

The submission is **not in compliance** with Condition 2(b). “

Yours faithfully,

M.C.
