Part B: To be completed by Internal Referee / Planner

Is the compliance submission deemed compliant?	No – X – Not compliant – Public Lighting
---	---

If no or partially non-compliant please state reason:

As set out in application SDZ22A/0005/C8 – A response to public lighting was received which is also applicable to condition 7 c - *I have checked the documents uploaded in response to condition 8. The light level calculation is not satisfactory. As far as I can see, it has focussed on the TIC areas in isolation, without considering the overall street. We need to see the calculation that covers the entire street.*

Therefore the condition, like Condition 8, is non compliant

If partially compliant, please specify the discrete part thereof.

Part(s) Compliant e.g. A, B	
Part(s) Non-Compliant e.g. C
