Dear Sir/Madam,

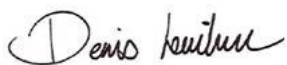

We are now looking to address the previously responded to condition no. 1 of the above granted permission. We are now looking to confirm the colours of previously identified areas of render and metal cladding.

Condition No	Response
1	The granted elevational drawings did not refer to the finished render colours and metal cladding colours. These are now clarified in the enclosed drawings.

Please acknowledge receipt of this application at your earliest convenience.

We Trust the foregoing is suitable, and if you require further information, please do not hesitate to contact the undersigned.

Yours Sincerely

Denis Lenihan
