|                      | Description: | <p>The use of premises for the Purpose in connection with the carry out of a bookmakers/betting shop/turf accounting trading as Paddy Power Plc (Flutter Entertainment Plc). The premises has been trading as a betting shop from this location for more than seven years. Having regard to Section 157(4)(a)(I) of the Planning and Development Act 2000, as amended. no warning letter or enforcement notice may be served and no proceedings for an offence under the Act may be commenced in respect of a development where no Permission has been granted after the expiration of seven years from the date of commencement of the development. The use of the premises as a betting shop commenced in 1988 and has continued at this location since that date. Accordingly, we request a declaration under Section 5 of the Planning and Development Act 2000. as amended, confirming that the continued use of the premises as a bookmakers/betting shop/turf accountant is exempted development.</p> |                 |

|                    | Description:         | <p>The proposed development will consist of: Refurbishment, subdivision, extension, and associated change of use of the existing part 2 to part 3 storey former public house building to provide for a 3 storey building including 2 no. restaurant / caf? units, including takeaway use, (Units 1 and 2) at ground floor and first floor, 2 no. Class 2 / Class 3 office units (Units 3 and 4) at first floor level, and 1 no. self-storage unit (Unit 5) at second floor level. The proposal includes the provision of additional floorspace (804 sq.m) via the infilling of voids at first floor level and construction of additional floorspace at second floor level, and associated alterations at roof level, including partial replacement of existing pitched roof with a flat roof, and provision of a blue roof, plant area, lift overruns, and photovoltaic panels. Associated internal alterations and reconfiguration of the internal layouts from ground to second floor levels, including provision of a mobility hub providing secure cycle storage at ground floor level, provision of 2 no. new lifts providing access to all levels, alteration of circulation areas, stair cores, storage areas, ancillary accommodation and servicing arrangements at all levels;</p> <p>? Associated external alterations, including alteration of existing facades and construction of new fa?ade elements, glazing, associated architectural treatments, and signage zones;</p> <p>? All associated site development, lighting, drainage, ancillary works and services necessary to facilitate the development.</p> |                        |

|                    | Location:            | 110, Palmerstown Avenue, Palmerstown, Dublin 20                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                        |
|                    | Description:         | The retention of the single-storey structure built at the rear of the property, which replaced a garage structure on the site, and which is to be used as a granny flat and home office ancillary to the existing two-storey house at the front of the property. The application includes the removal of the wall dividing the back garden into two separate areas and the permanent blocking up of the additional pedestrian entrance that was opened into the rear of the site from the adjoining laneway. |                        |
